

~~CONFIDENTIAL~~

8 DEC 1961

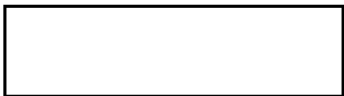

MEMORANDUM FOR: Chief, Benefits and Services Division  
Office of Personnel

SUBJECT : Eligibility of WAE Employees to Participate  
in Agency Life Insurance and Specified  
Disease Program

1. As a matter to be brought before the GEHA Board of Directors at its next meeting the letter of Chief, Contact Division dated 22 November 1961 should be considered.

2. It is my recollection that we approved one similar type case before. The ground rules were that the individual had been an employee of the Agency and had previously participated in the GEHA insurance program.

3. All of the individuals so named in the attachment were Agency employees, however, further determination should be made as to their participation in the insurance program. I suggest that you enter this matter for presentation to the Board in that a possibility exists that I may not be at the next meeting.
